Group Size

Minimum 1, Maximum 7

Minimum age 12 yrs old

Meals

All meals & selected drinks

(wine, beer, Gin & Tonic, selected soft drinks, fruit juice, bottled water)

Accommodation

Meru style en-suite tents

Day 1-2: Camping in the Xakanaxa / 3rd bridge Area of the Moremi Game Reserve & Okavango Delta

Welcome at Maun Airport. You will meet your pilot for your stunning light aircraft scenic flight over the Okavango Delta and Chief's Island. This flight gives you a fish eagle's eye view of this amazing ecosystem. When you land at your remote bush airstrip within the Moremi Game Reserve, your guide will provide you with a snack pack on arrival and will be waiting to transfer you to your mobile camp with a game drive en route. Spending our first two nights camping in the Xakanaxa / Third Bridge area, we explore the surrounding wilderness on game drives during the day. The Moremi Game Reserve protects around a third of the entire Okavango Delta ecosystem – some 5 000km² (1 930 square miles).

Day 3-5: Camping in the Khwai Area of Moremi Game Reserve

We spend the next three nights camping at a campsite in the Khwai area, exploring the Khwai floodplains on game drives. You will also experience a 2½-hour mokoro trip, discovering channels and lagoons at a relaxed pace in a traditional dug-out canoe.

Day 6: End Maun

We head back to Maun where a picnic lunch will be served en-route. You will be dropped in Maun around noon – 1pm for your onwards arrangements.

The Okavango Delta is a unique ecosystem, a river delta located in the middle of the world's largest stretch of continuous sand – the Kalahari basin. An oasis in an otherwise arid and inhospitable landscape, the Okavango Delta supports an incredible diversity of animal and birdlife. Where land and water meet, a mosaic of pans, grasslands, forests and lagoons provides an extremely varied range of habitats which is home to one of Africa's greatest concentrations of wildlife. The Okavango is one of the natural wonders of the world, a still-pristine yet fragile ecosystem that richly rewards exploration.

Moremi Game Reserve lies in the eastern corner of the Okavango Delta. One of the most beautiful and diverse of all the great game reserves of Africa, it protects both huge concentrations of wildlife and incredible scenery. The reserve consists of both seasonally-inundated areas such as Xakanaxa, and drier areas such as Khwai. On this safari, we will set out to reveal some of the secrets of this dynamic ecosystem.

The magic of a mobile camp becomes apparent as the sun sets and you enjoy drinks around the fire before a starlit dinner and a great night's rest after falling asleep to the sounds of the African bush
