Day 5-6: Mobile Safari in the Makgadikgadi National Park

We move camp east to the huge expansive grasslands of the Makgadikgadi Pans in search of the huge numbers of zebra (up to 25,000 animals) that leave the Boteti river system and concentrate on the open grasslands in search of nutritious grasses to give birth to their young. We spend the next two nights in search of the herds and exploring this vast open landscape. Meals: Breakfast, Lunch & Dinner.

Drive to Maun for lunch at a quaint local restaurant, then transfer to the mobile safari camp in the Khwai area of Moremi Game Reserve. This reserve forms part of the unique ecosystem called the Okavango Delta. We spend three nights at a campsite in the Moremi Game Reserve exploring the Khwai floodplains on safari. A 2,5hrs mekoro trip exploring the waterways of Khwai, the most eastern reach of the Okavango River system. Meals: Breakfast, Lunch & Dinner.
